Introduction

Effective Date

12. This ISA is effective for audits of financial statements for periods ending on or after December 15, 2013, except for material shaded in gray pertaining to the use of internal auditors to provide direct assistance which is effective for audits of financial statements for periods ending on or after December 15, 2014.

Application and Other Explanatory Material

~~A33~~A34. In evaluating the level of competence of an internal auditor, many of the factors in paragraph A8 of this ISA may also be relevant, applied in the context of individual internal auditors and the work to which they may be assigned.

~~A39~~A40. As individuals in the internal audit function are not independent of the entity as is required of the external auditor when expressing an opinion on financial statements, the external auditor's involvement in directing, supervising and reviewing the work performed by internal auditors providing direct assistance ~~these circumstances~~ will generally be of a different nature and more extensive than if members of the engagement team perform the work.
