Engagement Quality Review

Option A

Note to IAASB:

- This paper is to be read in conjunction with the paper on Option B.
- Option A includes all requirements for firm policies or procedures in ISQC 1 and has all the EQ reviewer responsibilities in ISQC 2.
- This paper includes relevant extracts from ISQC 1 and 2 to illustrate in a basic manner how this option will work. It has been prepared on a rapid basis and does not reflect other changes in response to the Board discussion on Wednesday. The Task Force also notes that improvements to the wording and structure will be made as the Task Force further discuss both standards.

Matter for IAASB Consideration

- The Board is asked to focus on the explanation of the pros and cons (or consequences) for each option (A and B) and to express a preference for an option.
