Proposed 2010 IAASB Meeting Dates and Locations

Objective of Agenda Item

To advise the IAASB of the proposed dates and locations for the 2010 meetings.

Proposal

The dates and locations below are proposed for the IAASB's 2010 meetings. The proposed dates allow sufficient time for task forces and staff to take the necessary actions between IAASB meetings and for timely posting of meeting material. At this stage, it is anticipated that each of the 2010 IAASB meetings will be a 4-day meeting, with the fifth day of the meeting week set aside for task force meetings.

The suggested locations take into account IFAC's meeting location policy and are subject to final IFAC approval.

The Steering Committee has reviewed these dates and recommends them to the Board.
