

ISSAI Implementation Initiative

3i

Objective

- Facilitate implementation of ISSAIs with a comprehensive capacity building program
 - Financial audit
 - Compliance audit
 - Performance audit
- Initially run for SAIs from English speaking developing countries

Partners

- INTOSAI's Professional Standards Committee and subcommittees
- Regional INTOSAI bodies
- Participating SAIs
- World Bank, financing partner

Activities

- ISSAI Compliance Assessment Tool (iCAT)
- Training of ISSAI facilitators from the regions on iCAT
- Regional 3i Management Workshops
- iCAT conducted by participating SAIs
- ISSAI certification programme to create pools of ISSAI facilitators
- Development of audit manuals and model audit files and e-learning platforms
- Web based forum that provides for interaction and knowledge sharing related to ISSAI implementation
