☐ Virtual Board Meeting ☐ Other

Due to the ongoing COVID-19 (Corona) virus outbreak internationally, the IAASB will again conduct the June 2020 meeting virtually with a reduced agenda. The virtual meeting will be facilitated via videoconference.

IAASB members, technical advisors and official observers do not need to register for any of the video conferencing sessions, however if you are unable to attend any of the sessions, please contact Michelle Harrison directly.

Public observers are asked to register on the IAASB meetings webpage and to check back on a regular basis on how to listen to the meeting sessions live. Staff are currently working on a way for public observers to listen in on the meeting sessions and information in this regard will follow in due course.

Also note that there will be no podcast for the June 2020 IAASB meeting, however IAASB staff will endeavor to have the recordings of the meetings up on the website as soon as possible after each session ends.

Monday June 15	Tuesday June 16	Wednesday June 17	Thursday June 18	Friday June 19
